ATTACHMENT TO REQUEST FOR WITHDRAWAL

A Request for Withdrawal as Attorney was previously filed in this application on February 17, 2010. Thereafter, on March 29, 2010, PTO Paralegal Specialist Tredelle Jackson issued a Decision indicating that the request to withdraw was not approved. The Decision stated that:

. . . the request to withdraw from record cannot be approved because the request to change the correspondence address is not that of: (1) the first named inventor; or (2) an assignee of the entire interest under 37 C.F.R. 3.71 who has properly intervened.

However, this statement is not correct. More specifically, and contrary to the assertion in the Decision, the Assignee of the entire interest under §3.71 did in fact properly intervene in this application before issuance of the Decision. **In more detail, a new Power of Attorney was previously filed in this application on February 22, 2008, was executed by the Assignee of the entire interest under §3.71, and included a proper statement under 37 C.F.R. §3.73(b) that established the right of the Assignee to take action in this application.** The Request for Withdrawal made a proper request that the correspondence address be changed to the address of the Assignee of the entire interest under §3.71, who had previously properly intervened in this application by submitting a proper statement under §3.73(b). The assertions to the contrary in the Decision are without merit.

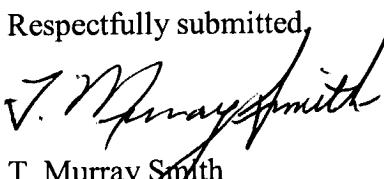

The last sentence of the Decision indicated that inquiries regarding the Decision should be directed by telephone to PTO Paralegal Specialist Tredelle Jackson. Following receipt of the Decision, attempts were made to reach Specialist Jackson by telephone, without success. A voice-mail message was then left for Specialist Jackson, explaining the error in the Decision, and requesting a return telephone call. But to date, Specialist Jackson has not called the undersigned. Moreover, as of today, the PTO's PAIR system does not show that Specialist Jackson has issued any document intended to correct the PTO error in the Decision mailed on March 29, 2010.

Thus, as explained above, a proper Request for Withdrawal has previously been submitted, and the PTO Decision denying the Request gives a reason that is without merit and that apparently involves a PTO error. Although it is believed that the original Request for Withdrawal was entirely proper and was erroneously denied, as a courtesy the undersigned is submitting this second Request for Withdrawal, which is equivalent to the original Request, and it is again respectfully requested that the withdrawal of the undersigned's law firm be approved.
